CREPUSCLE

COMING MID 2019

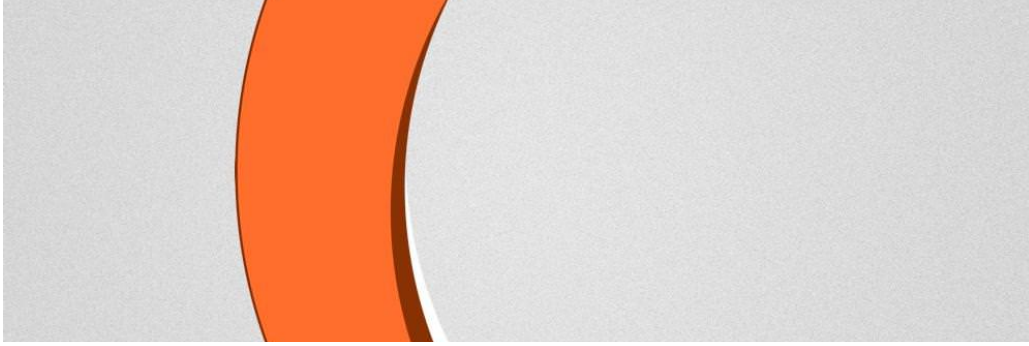

A Call to Arms

A reimagined 5th year anniversary acoustic album based off Crepuscle's first release "Draconian Winter". 12-string guitar, Spanish flamenco techniques, violin, kantele, mandolin, and harp combined with a folk rock/metal mix.

Crepuscle is a melodic death metal band with baroque, neoclassical, and folk influences. The entire album was recorded, produced, mixed, and mastered in my home studio.

GEMANON

EARTHRIFT EP
TEMPT RISING (SINGLE)

Melodic metal project with detailed guitar solos and the occasional odd time signature. Gemanon features clean and distorted vocals. Song range from short and energizing to eight-minute progressive beasts.
